EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Abstract, line 1, change "comprising" to --includes--.

2. The following changes to the drawings have been approved by the examiner: the reference numeral 3, mentioned in the specification, must be added to the drawings. In order to avoid abandonment of the application, applicant must make these above drawing changes.
3. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest a separating plate cover the upper side of a depressed portion in a front side member and forming a closed section with the depressed portion. Such limitations, in combination with the rest of the limitations of the claims, are not disclosed or suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 3612
